Koch Chemie Tex Tinten & Kuli-Ex - Ink & Ballpoint Remover 250ml

KC197250

Dissolves water-soluble ink and ballpoint marks quickly and thoroughly from textiles, leather and tiles. A combination of special solvents and detergents dissolves the ink pigments and disperses them. Tinten- & Kuli-Ex contains no halogenated hydrocarbons and is pleasant to use thanks to its fresh orange aroma.

Areas of Use

Solvent-resistant textiles, leather, tiles, etc.

Recommendations of Use

Apply the product using a microfibre cloth, carefully loosen the dirt (pat, do not rub) and then pat carefully with a dry absorbent cloth. With heavy dirt, repeat the procedure. Then finish over the whole surface with a suitable cleaner (eg Pol Star). Rub Leather Star into treated leather.

Warnings

Before using, check colour fastness and material compatibility. Not suitable for artificial leather and plastics.
