

Refills Sky Blue for Pfeiffer uWrite Fineliner, 6 Refills + 1 FREE Pen

PFHF108

There's a fine line between a pen and a marker- literally! It's called the Pfeiffer uWrite Fineliner. Perfect for everything from writing to underlining, the uWrite Fineliner is completely metal-free, and 100% non-toxic. The needle-shaped nib, which is housed in a polymer tip, produces a fine 0.4 mm line width. The uWrite Fineliner is also water-resistant and document proof.

Plus, when your uWrite Fineliner eventually runs out of ink, you can just slip in a Pfeiffer refill, and get straight back to work.

With the Pfeiffer uWrite Fineliner, everything from the refill, made from a single class of plastic, to the metal-free body and polymer tip has all been engineered with sustainability in mind. You can write away with an environmental conscience that is just fine.

Technical

Product Type Fineliner
Writing colour Sky Blue
